shipping*

With OXXA[®] personal protective equipment, we protect much more than our bodies. During work and afterwards. With OXXA[®] we protect the present and above all the future. Now also with attention for **the environment and society**. OXXA[®] provides total protection. To everything we care about.

*We compensate all emissions through reforestation and reduce at least 75% of emissions through the use of biofuels during shipping.
